POSTAL CHARGES

POSTAL CHARGES FOR INSERTS IN THE SUBSCRIPTION CIRCULATION

The Deutsche Post charges shipping fees for the dispatch of subscription issues which will normally be announced in January. These postal charges depend on the total weight of the magazine including loose, bound and glued-in inserts. The extra weight of loose, bound or glued-in inserts increase the total weight of the respective issue and thus causes additional postage costs. The scale of the Post Office shows higher costs for each 50 gram step, but with different increases. Based on the average weight of our magazines, we have calculated the average postal charges based on the price list of the Post Office. Of course, we only charge the additional costs for loose, bound or glued-in inserts.
